

**OPENING LOCATION
HERTEL KAMPEN**

May 30, 1961
groundbreaking ceremony
for the location of
Hertel in Kampen.

1961

**FIRST PRODUCTION
OF EPDM ROOFING**

In 1968, in collaboration with
DSM, the first European EPDM roofing
membrane was developed.

1968

**NEW
LOCATIONS**

In the 1990's HRP is more and more
commercial and enters the European
market. Branches in the
United Kingdom and Germany
are opened.

1999

**MANAGEMENT
BUY-OUT**

Hertel Rubber Products becomes
Hertalan Rubber Products BV.
An independent
company.

2007

**NEW LOCATION
IN ROMANIA**

The success of the production
in Romania is reflected in the
construction of a modern building
with 8,000 m2 of floor space.

2011

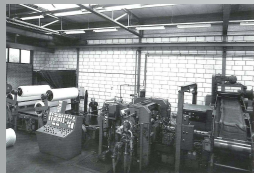

**50 YEARS
EXPERIENCE**

This year we celebrate,
that HERTALAN® has
50 years of practical
experience on the roof.

2015

1965

**DEVELOPING THE
FIRST WATERPROOFING
MEMBRANE**

In 1965 Hertel produces
its first membrane
(butyl rubber).

1968

HERTALAN

The combination of the
words Hertel and Keltan
(EPDM brand DSM) is the
new brandname.

2005

**PRODUCTION
IN ROMANIA**

In Romania we opened a second
factory for the production of
membranes and accessories.

2010

RENOVATION

After more than two years of
renovation works the end result
is breathtaking. The new
TechnoPoint training center is
our showcase.

**SECOND
PRODUCTION LINE**

In Kampen a second
new production line
comes into operation.

2012

**CARLISLE®
CONSTRUCTION
MATERIALS**

Hertalan Rubber Products
sells its shares to Carlisle Inc.
HERTALAN® is now a part
of CCM-Europe.
